

2013-2014 Goals

1 Market new ONLINE lesson plans and curriculum for teachers/college professors and the general public in regions where ING has affiliates as well as regions that have the greatest concentrations of Muslims.

2 Convene diversity seminars and webinars on interacting with American Muslims for administrators and managers in education, law enforcement, healthcare and corporate institutions.

3 Build the capacity of existing ING affiliates and expand in regions where Muslims are concentrated.

4 Work with college campuses and student programs in the expansion of ING's programs directed at empowering young people to talk about their faith.

**Annual Program Costs in 2013:
\$1.2 Million**
