Peace be upon you,

The members of the Muslim American Society (MAS) of the Bay Area would like to congratulate ING on its 19 years of selfless service to the community. We have witnessed its leaders, employees and volunteers grow the organization to be able to serve more people every year, and we thank them for their dedication and efforts.

Fear and prejudice feeds on ignorance. At a time when prejudice seems to be on the rise, and when Muslims and Islam are in the media spotlight, ING combats ignorance by providing the perfect antidotes – education and the fostering of friendships. ING reaches the hearts and minds of thousands of people every year through schools, places of employment, houses of worship and places of gathering.

Furthermore, ING has worked as a community building organization, bringing various non-profit organizations together to pool their human and material resources and collaborate on common goals.

We pray that ING will continue to excel in its endeavors and will be a positive force for change in our communities. Now more than ever, we need the kind of work your organization provides. Congratulations on your first 19 years of work!

Sincerely,

Bhawana Kamil
President
