RE: Letter of Support

Dear Islamic Networks Group,

As County Superintendent of Schools, congratulations for your 25 years of service in providing educational services promoting cultural literacy and mutual respect throughout our schools and the community. Through your work of pursuing peace, promoting values of inclusion and countering all forms of bigotry, I commend you for reaching thousands of our students per year and truly making a difference.

ING is headquartered in the San Jose Bay Area, with nearly 250,000 Muslims – one of the highest concentrations in the country – who live, study, volunteer, work, and contribute to our communities. Thank you, ING, for your invaluable educational programs, online curriculum, and antibullying campaigns. At the Santa Clara County Office of Education we value student safety and cultural understanding and truly appreciate your work in our community and the partnerships that have evolved between schools, neighbors, and community organizations.

Congratulations on this outstanding milestone. We look forward to more years of service.

Sincerely,

A handwritten signature in blue ink that reads "Mary Ann Dewan".
